## TO WHOM IT MAY CONCERN

This is to certify that Services Inc. have successfully undertaken a contract to construct a 385 square metre concrete skatebowl at Collinsville.

The Tender was awarded with a starting date of the 6th October, 1999 and practical completion was reached on the 21st October, 1999.

Services Inc. workmanship appeared to be more than competent and conducted themselves throughout the process in an extremely professional manner.

I would not hesitate to recommend them for consideration of similar projects in the future and would also encourage any future employer to seriously consider their tender.

Yours faithfully

  
TIMOTHY J. ROSE,  
CHIEF EXECUTIVE OFFICER.
