Dear Warren,

Re: Camperdown Skate Park

I just wanted to take this opportunity to thank you and your team for the wonderful job you did completing the Camperdown Skate Park. The whole process through design and construction was stress-free and everyone a pleasure to deal with.

Testimony to your work is the opinion of the young people in town, not to mention the amount of use it received on the first night. I have included a copy of press releases in the local papers this week for your information.

I wish you the best of luck in the future and hope to work with you again some time.

Enclosed is a remittance advice for the final payment of services as processed today.

If you need to contact me for any reason you may do so on 5593 7100.

Yours faithfully
