TO WHOM IT MAY CONCERN

Douglas and Warren Cross trading as Services (Inc.) Pty Ltd have been contracted by Ipswich City Council on various landscape projects. Doug and Warren's first contract with the former Ipswich City Council was approximately five (5) years ago working on minor landscape projects and they have since advanced to working as major contractors on larger projects within Ipswich. These projects have included:-

- construction of the skateboard bowl at Suttons Park, Brassall
- construction of three (3) timber pergolas at Browns Park, North Ipswich
- construction of sandstone boulder retaining walls at Bob Gamble Park, Ipswich
- construction of hard wood fencing and bollards at various parks throughout the Ipswich Shire
- construction of Stage One (1) of the Queens Park water feature

Construction of Stage Two (2) of the Queens Park water feature has also been recently awarded to Services (Inc.)

Doug and Warren's workmanship has always been of a high standard and projects undertaken by Services (Inc.) have come in on time and in accordance with the Specifications outlined by Council.

Yours sincerely
