### TO WHOM IT MAY CONCERN

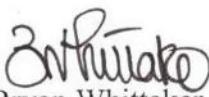

This is to certify that Services (Inc.) Pty. Ltd. have successfully undertaken a contract to construct a reinforced concrete skate park of approximately 1100 square metres at Kiama, on the New South Wales south coast.

The Tender was awarded on 18 April 2000 and construction commenced on 15 May 2000. Practical Completion was reached in just under 5 weeks, some 4 weeks ahead of the contracted completion date.

The company demonstrated a high level of professionalism and enthusiasm and their high standard of workmanship is evidence of the pride they take in their work.

I would not hesitate in recommending them for consideration in similar projects.

Yours faithfully

  
Bryan Whittaker  
Director of Engineering and Works
